In our fast paced world, it can be difficult to sit down and have a quiet time with your Heavenly Father. I have found one of the best ways to carve out this time is to include writing my thoughts and prayers to Him as part of my Morning Routine and I would like to share this free prayer journal printable I created with my readers.

A chronotype is the behavioral manifestation of underlying circadian rhythms of myriad physical processes. A person's chronotype is the propensity for the individual to sleep at a particular time during a 24-hour period. Eveningness (delayed sleep period) and morningness (advanced sleep period) are the two extremes with most individuals having some flexibility in the timing of their sleep period.
