the power of formative pdf

Formative assessment can look more structured, too, with teachers Serafini, F. (2010). beginning a class period with a discussion of a short list of general

Formative Assessment That - NCTE

Formative assessment, including diagnostic testing, is a range of formal and informal assessment procedures conducted by teachers during the learning process in order to modify teaching and learning activities to improve student attainment. It typically involves qualitative feedback (rather than scores) for both student and teacher that focuses on the details of content and performance.
