NMSU Library offers a program of hands-on instruction that promotes effective use of the library and other information resources. Library instruction gives students the skills to locate, use, and evaluate information. These skills lead to increased academic success, better papers, and higher quality research projects while reducing library anxiety and the incidence of plagiarism.

## **Library Instruction at NMSU - Library Instruction Program**

3. Suggestions for Teachers. Select one primary source that reflects racial segregation and ask your students to consider segregation from multiple perspectives.
