STRUCTURE IS NOT ORGANIZATION - Tom Peters

In the social sciences, social structure is the patterned social arrangements in society that are both emergent from and determinant of the actions of the individuals. On the macro scale, social structure is the system of socioeconomic stratification (e.g., the class structure), social institutions, or, other patterned relations between large social groups.

The family structure of African-Americans has long been a matter of national public policy interest. A 1965 report by Daniel Patrick Moynihan, known as The Moynihan Report, examined the link between black poverty and family structure. It hypothesized that the destruction of the Black nuclear family structure would hinder further progress toward economic and political equality.
